Dear Mr. Juarez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 607387.

The Webb Consolidated Independent School District (the "district"), which you represent, received a request for information pertaining to specified grievances, minutes for specified board meetings, and a particular coach's resume. You state you have released most of the requested information. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.117 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses section 21.355 of the Education Code, which provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). Additionally, a court has concluded that a written reprimand constitutes an

evaluation for purposes of section 21.355 as it “reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006. no pet.). In Open Records Decision No. 643, we concluded that a “teacher” for purposes of section 21.355 means a person who (1) is required to and does in fact hold a certificate or permit required under chapter 21 of the Education Code and (2) is teaching at the time of his or her evaluation. *See* ORD 643.

You claim the submitted information constitutes evaluations of a teacher that are confidential under section 21.355 of the Education Code. However, upon review, we find the submitted information pertains to the employee at issue in the employee’s capacity as a coach. Thus, we find you have failed to demonstrate any of the information at issue constitutes an evaluation of the performance of a teacher for the purposes of section 21.355 of the Education Code. *See* Educ. Code § 21.353 (teachers shall be appraised only on basis of classroom teaching performance and not in connection with extracurricular activities). Therefore, the district may not withhold any portion of the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home addresses and telephone numbers, emergency contact information, social security numbers, and family member information of current or former officials or employees of a governmental body who request that this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See* Gov’t Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, “A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body’s receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body’s receipt of the request for the information. Therefore, if the employees at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. Conversely, if the employees at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information under section 552.117(a)(1).

In summary, if the employees at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
